OVERVIEW

If you experience issues registering for this webinar, please email or call the MGMA Service Center at 877.275.6462 ext. 1888 to register.

Register for the webinar, held on Nov. 17, 2020. This webinar is eligible for ACMPE, ACHE, CME and CEU credit.

During this interactive session, MGMA staff will discuss proposed CMS changes to office visit E/M codes slated for implementation on Jan. 1, 2021. Attendees will learn about how these modifications may impact their practice and the updated guidance developed by the American Medical Association's CPT Editorial Panel for office visit E/M codes. Since the guidance developed by the AMA's CPT Editorial Panel represents the first documentation and coding overhaul in more than 25 years, it is a significant change for the medical community.

than 25 years, understanding these changes is critical.

This 60-minute webinar will provide you with the knowledge to:

- Identify changes CMS is slated to adopt in CY 2021
 - Recognize the impact these changes will have on Medicare reimbursement in CY 2021
 - Describe the updated guidance developed by the AMA's CPT Editorial Panel for office visit E/M codes
