5 Click the "Last Name 1" field, and begin your data entry

Search | Download Exclusions File | Reinstatement | About / Contact

Search up to 5 names (First Name, Last Name, Middle Initial) -OR- by Company Name
You may enter incomplete information into any search criteria (i.e. if you enter "fr" the system will return "frank", "francis", "franklin", etc. etc).
(Do not enter these special characters as search criteria ("*-,:;"))

*This database reflects all providers currently excluded from the Texas Medicaid program.
If you need to determine if a provider has ever been excluded from the Texas Medicaid program, you will need to access the online "downloadable exclusions file".*
